Project Title: Liberty Street Waterline Improvements

Owner: City of York, South Carolina

Project No. 226109

Separate sealed bids for the City of York’s Liberty Street Waterline Improvements Project will be received at York City Hall, 10 N. Roosevelt Street, York, South Carolina at **1:00 PM on May 28, 2024**, at said office to be publicly opened and read aloud.

The scope of work includes:

Constructing a new 12” waterline along Liberty Street from the intersection of Hwy 321 Bypass to the intersection with McFarland Road. The waterline will be within the asphalt for the majority of the route and will require flowable fill and asphalt patching. New meters and services will be set for each customer as a part of the project. Also, multiple reconnections will be made to tie existing 6- and 8-inch waterlines to the new 12-inch main. The proposed waterline will be installed, tested, and put into operation in sections with the existing line being abandoned following the proposed main activation. Traffic control will be crucial to this project since the project is through downtown York.

Bids will be received for a single prime Contract. Bids shall be based on a unit price basis as indicated on the Bid Form.

The Issuing Office for the Bidding Documents is: **Keck & Wood, Inc., 300 Technology Center Way, Suite 400, Rock Hill, SC 29730, 803-768-5200, contact: Seth Graves, [bids@keckwood.com](mailto:bids@keckwood.com)**. Obtain Bidding Documents from the Issuing Office as described below:
