

# Leaves, Limbs & Yard Debris

## Leaves

---

Leaves **Must** be raked to the curbside and placed in piles for pick up.

Leaves are picked up on a schedule that generally runs from November through March.

Do not mix other debris with the leaves. (Code 1977 10-21.1) Sec. 36-44.

## Tree Limbs, Cuttings & Shrubbery

---

Collected weekly on the same collection day as your garbage and trash.

No trees or limbs larger than 4" in diameter, longer than four feet (4') or heavier than 100 lbs. will be collected by the city.

Tree Limbs, cuttings, and shrubbery should be kept separate from other trash. (Code 1977 10-21) Sec. 36-44
